

JITENDRA TRAVELS PVT LTD

About Us

Established in 1995 by Mr. Jitender Singh, Jitendra Travels began its journey as a modest tour operator and travel agency. What started with a single vehicle has now evolved into a leading transportation service provider, boasting a fleet of over 250 vehicles. In the year 2000, the company secured its first major contract by providing employee transportation services to Lumax Industries Limited. This marked the beginning of a legacy of trust and reliability. Over the years, Jitendra Tour & Travels has expanded its clientele, serving renowned organizations such as Mark Exhaust Systems Limited, BHP Industries Limited, Napino Auto & Electronics Limited, and Delhi Public School (DPS) for student transportation. With a strong commitment to excellence, the company continued to grow its presence in the transportation sector, catering to MNCs, corporates, and educational institutions. A milestone achievement came in 2014 with the opportunity to provide transportation services for Amazon India, and in 2022, Mr. Jitender Singh was honored with a prestigious contract to manage staff transportation for Maruti Suzuki India Limited. As a technology-driven organization, Jitendra Tour & Travels leverages modern systems to ensure seamless and efficient service delivery. The company takes pride in offering state-of-the-art corporate transportation solutions, prioritizing safety, punctuality, and customer satisfaction. Currently operating across Uttar Pradesh, Tapukara (Rajasthan) and Delhi NCR, Jitendra Travels continues its mission to deliver reliable, high-quality transportation services, backed by over 30 years of industry experience.
